

# Childcare Adventures Early Learning Center

April 2017

Rain, rain go away come again another day! We're so glad Spring has arrived with hopefully sunny days and warmer weather.

It is time for our annual parent surveys! Please make sure that you get a copy of the survey from the office. We appreciate your feedbacks, your surveys will help us improve our center and make it better place for all children.

## Pre-K News Miss Kari

Happy Spring! The Kids are happy that old man winter is finally gone!

We have already started talking about activities for our upcoming spring theme.

Just a reminder that if your child is going to be participating in our Pre-K Graduation, to have your child here by 9:15 a.m.

So we can start our graduation practice !

Last but not least Happy Birthday to Dominick who turns 5 on April 11th.

Thank you!

Miss Kari

New Friends: let's give a warm welcome to our new friends Jumeer, Emanuel, Kamiah, Cassidy, Zuri ,Ah'Nyesti, Ma'Khi, Emaari and Dorothy, Cassidy

We're glad to have them join our family here at Childcare Adventures.

## Toddlers News Miss Haley & Tobey

It's spring time! Our class will be talking about spring and how the leaves come back on the trees and how the flowers bloom again.

Our Easter Party will be Thursday April 13th and there will be a sign up sheet on door.

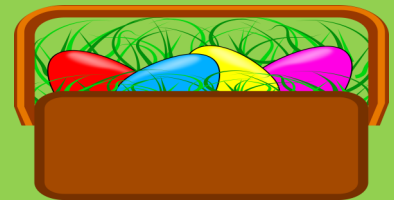

Please make sure your child has extra clothes' in the cubby's.

Enjoy Spring Time!

Miss. Haley & Miss. Tobey

- ◆ Adrianna April 22
- ◆ Dominick April 11
- ◆ Emaari April 22
- ◆ Mila April 6
- ◆ Sky April 8
- ◆ Liam April 15

## Infant 1 News from Miss Lisa

Happy Spring! Let's hope that the warm weather has finally arrived! This month we are looking forward to some fun Spring/ Easter projects and some fun story time/circle time activities too. The children really seem to enjoy the songs and finger plays we have been introducing. The songs and finger-plays are important for early language and literacy development.

Just a reminder: Please label and date all bottles and sippy cups. Also, we're asking all of our parents to bring in 2 sets of extra clothes for your child to keep here at the center, as accidents and spills are bound to happen with children of this age group. Miss Apr

## Infant 2 News from Miss Brittany

Hello, and welcome to April! With the sun shining and the weather warming up we are going to spend more time outside so please make sure to send appropriate attire. We will also be doing some fun activities for Easter and earth day!

Later during this month, we will plant some seeds and hope to grow some flowers for May while learning and seeing the process of growing and caring for a plant.

We have two of our friends celebrating their birthdays this month. We would like to wish Mila, and Shy, a happy birthday, they will turn 2 this month.

Miss Brittany

## Preschool News from Miss Deicie

Spring is finally here!

During the month of April we will be doing special earth activities to celebrate the new season. During designated days Miss Deicie ask parent to send children in cloth they can get messy. Your little explorer will participate in Jump Day, April,6, Jump day is a bout being healthy and active. Each day will be full of gross motor activities.

April,17 talk about plants and make an egg shell planters.

Get ready, get set, sprout!

### Children's Health Corner

You can help your child develop healthy habits early in life that will bring lifelong benefits. As a parent, you can encourage your kids to evaluate their food choice and physical activity habits. Here are some tips to get you started:

- \*Limit TV, video game and computer time.
- \*Encourage physical activities.
- \*Make dinnertime a family time.
- \*Make a game of reading food labels.
- \*Stay involved.

**Please help us keep our center and parking lot clean, and make sure you place all trash in the trash can placed outside of are building .**

## Toddler News from Miss Lisa

Spring is here

This month we will explore wind, trees, plants, and rainy days .By experiencing the wind, children begin to understand the wind's power to move things. Look for bubbles, wind socks and kites. In spring, trees begin to show signs of new growth. The children will see, touch, and smell the changes in nearby trees. Be

on the lookout for twig collages and tree pictures. Toddlers learn about plants by observing them and growing them. By watching the plants develop, they learn that plants needs water and sun. We'll enjoy rooting plants and exploring sunflower seeds and planting our beans. Spring rains bring the water that plants need to help them grow. We will focus on rain through stories, games, and songs, and by exploring raindrops. We will be playing outside so be sure to dress for the weather our letter of the month is D.

Number 4  
and shape  
is circle.

Miss Lisa,
