Infant News !

Weather: As February arrives, we are hoping that the worst of the winter weather is over. However, don't forget that as long as the cooler temperatures are with us, lets dress our little ones warm. Also don't forget to leave a change of clothes, as accidents will happen.

New Babies:

We want to welcome a new baby to our Infant Room, her name is Kaidence and she just turned 3 months old! We are so happy to have her join our class.
